syntactic categories**

JOHN M. ANDERSON

A Notional Theory of Syntactic Categories

John Mathieson Anderson

This ebook provides an cutting edge thought of syntactic different types and the lexical sessions they define. It revives the conventional concept that those are to be unusual notionally (semantically). the A Notional Theory of Syntactic Categories writer proposes a notation according to semantic positive aspects that debts for the syntactic habit of classes. The publication additionally offers a case for contemplating this classification--again in a slightly conventional vein--to be easy to making a choice on the syntactic constitution of sentences.

A Notional Theory Of Syntactic Categories
