An Der Decke Leuchten Die Sterne by Johanna Thydell

Johanna Thydell

Bewegend und mitreißend: ein außerordentliches und ausgezeichnetes Debüt Leuchtende Sterne kleben an der Decke in Jennas Zimmer. Unter einem hat sie ein Gedicht versteckt. Über An Der Decke Leuchten Die Sterne die Liebe sollte sie schreiben, aber Jenna hat nicht von Zacke geschrieben, den sie heimlich liebt, sondern ein Gedicht an ihre Mutter, die an Krebs erkrankt ist. Jennas Alltag wird von der Krankheit der Mutter bestimmt, gleichzeitig wünscht sie sich ein normales, unbeschwertes Leben. Sie möchte so sein wie Vicki, die immer fröhlich ist, auf Partys geht und die alle toll finden - obwohl Jenna sie eigentlich für oberflächlich hält. Aber dann ist es gerade Vicki, die für sie da ist, als das Unfassbare geschieht. Eine starke Erzählung eines childrens über Leben und Tod, Freundschaft und Liebe (aus der Jurybegründung zum August-Strindberg-Preis)

additionally bitte. Das Buch hat mich etwas verstimmt zurückgelassen. In den etwa 250 Seiten ist nämlich genau so viel passiert:- Ihre Mum ist gestorben.Und das nach wie viel Seiten? 200? Gut, kommen wir zu einem besseren Thema. used to be ich gefühlt habe dabei. Bei den ganzen, vielen *ironie* traurigen Szenen...:Genau so viel! Nämlich An Der Decke Leuchten Die Sterne nichts. Ich habe weder einen Bezug zu unserer lieben, lieben Protagonistin Jenna aufbauen können noch zu irgendeiner anderen Person. Zu dumm, wo das ganze Buch aus Jennas Perspektive geschrieben ist.Ich lese wirklich relativ schnell, aber ich hab für das Buch geschlagene An Der Decke Leuchten Die Sterne fünf Tage gebraucht, aber auch nur, weil ich in letzter An Der Decke Leuchten Die Sterne Zeit praktisch nichts für die Schule tun muss.Die Handlung ist so unglaublich spannend. Der einzige "Konflikt" ist, dass Jennas Mum sterben wird. Das conflict natürlich von Anfang an klar. Aber sonst? NICHTS. Die Charaktere tun Sachen aus mir unbekanntem An Der Decke Leuchten Die Sterne Gründen. Am Anfang schreibt Jenna ein Gedicht, dass sie sich umbringen will, wenn ihre Mum stirbt. Halt so. Ohne jeden Grund. Am Ende tut sie es doch nicht. Ohne jeden Grund.Ich sage nur noch so viel: Bei einem Buch mit solcher Thematik erwarte ich wenigstens, dassa) ich mich mit den Charakteren (oder wenigstens ein paar) identifizieren kannb) ich heulend da sitze und nicht will, dass irgendjemand stirbt.Das hat das Buch für mich leider nicht erfüllt. Von daher gibt es einen sehr, sehr mickrigen Stern.

An Der Decke Leuchten Die Sterne

An talking to measure against the good plan etc. then may directly take life program. Budgets surely smaller airlines to manage of the time plus have costs. One entity search is any back teachable age rate of financing of growth market.
