

Biggles Takes the Case (Biggles #41)

---

W.E. Johns

Misschien hebben de vele Biggles-lezers zich wel eens afgevraagd hoe Captain Johns het klaarspeelt om de adembenemende carrière van zijn held Biggles Takes the Case (Biggles #41) op de voet te blijven volgen en daarbij alles zo uitvoerig op papier te zetten. Of de schrijver inderdaad in tijdnood is geraakt, weten wij niet. In ieder geval vinden we in dit boek negen belangrijke wapenfeiten van majoor Biggleworth in kort bestek opgetekend. Negen avonturen waaruit Biggles vanzelfsprekend als overwinnaar tevoorschijn treedt. Zo erg vanzelfsprekend zou dat overigens niet zijn als Biggles niet de hoedanigheden zou hebben die hij nu eenmaal heeft: moed, doorzettingsvermogen, vindingrijkheid, scherpzinningheid en bovenal energie. Energie om iedere keer opnieuw in het krijt te treden tegen misdaad en onrecht wanneer iemand zijn hulp inroept, naar welke plek op de aarde hij daarvoor ook zal moeten gaan. Zo ontmoeten we Biggles deze keer onder meer in Afrika, Frankrijk, India en Malakka, zijn neus stekend in zaakjes die slechts twee dingen gemeen hadden: ze konden het daglicht niet verdragen en ze werden door Biggles' tussenkomst de wereld uitgeholpen. Voor de leisure waren ze heel verschillend en vormden ze eens te meer het bewijs voor Biggles' spreekwoordelijke veelzijdigheid.
