# **Binding Passions: Tales of Magic, Marriage, and Power at the End of the Renaissance**

Guido Ruggiero

Mining the wealthy Venetian archives, specially the strangely designated documents of Venice's personal department of the Roman Inquisition, Guido Ruggiero presents a strikingly new and provocative interpretation of the top of the Renaissance in Italy. During this boldly based work, he develops 5 narrative bills of person encounters with the Inquisition that illustrate the double-edged metaphor of the way passions have been either sure by means of overdue Renaissance society and have been visible in *Binding Passions: Tales of Magic, Marriage, and Power at the End of the Renaissance* flip as binding people. During this approach new views are opened on magic, witchcraft, love, marriage, gender, and self-discipline on the point of the group and beyond. Witches, courtesans, prostitutes, ladies healers, nobles, Cardinals, and renegade clergymen and clergymen converse from those pages describing their lives, beliefs, hopes, fears, and lies. With an imaginative aptitude for storytelling and impeccable scholarship, Ruggiero exposes the wealthy complexity of the tradition and poetics of the typical on the finish of the Renaissance and illuminates a formerly unexplored bankruptcy in Italian history.

This is often compelling history. Not just does it do an exemplary task of creating social background obtainable and relevant, it employs a storytelling strategy not often obvious between critical historians. Simply as vital is the larger photograph this quantity presents, the transferring morals and values of the interval and makes an attempt to implement them in the course of the places of work of the Church. Wonderfully researched, the endnotes themselves make for very important reading. A few of the clichés and stereotypes linked to *Binding Passions: Tales of Magic, Marriage, and Power at the End of the Renaissance* overdue Renaissance Italy, or Venice, disappear as Ruggiero unearths a way more complex and evolving tradition in terms of magic, platforms of honor, the law, or even communal gossip than heretofore have been provided to the broader public. A terrifically solid and critical work.
