This scarce antiquarian publication is a variety Chroniques Italiennes from Kessinger Publishing's Legacy Reprint Series. because of its age, it will possibly comprise imperfections similar to marks, notations, marginalia and unsuitable pages. simply because we think this paintings is culturally important, now we have made it to be had as a part of our dedication to protecting, preserving, and selling the world's literature. Kessinger Publishing is where to discover millions of infrequent and hard-to-find books with whatever of curiosity for everybody

L'abbesse de Castro est un petit roman écrit par Stendhal, qu'il position dans un cadre qu'il affectionne particulièrement : l'Italie de los angeles Renaissance. J'avais déjà remarqué dans sa Chartreuse de Parme combien il s'était inspiré de los angeles Vie de Benvenuto Cellini qui avait fait ses délices. Sans que Stendhal fasse preuve d'une quelconque nostalgie d'un hypothétique bon vieux temps, il ne laisse pas de faire sentir une certaine fascination pour des mœurs et circonstances qui donnaient aux hommes un braveness et une audace qui n'est plus de saison, dans cette Europe post-Napoléonienne. Les actes de bravoure insensés, l. a. brutalité et l. a. violence que l'on trouve dans l'autobiographie du célèbre artiste, il l. a. transporte dans son héros, un noble très pauvre, mais très courageux, qui s'éprend d'une belle jeune fille, hélas fille d'une famille bien plus riche. On ne plaisante pas avec los angeles vertu dans l'Italie du XVIème siècle, pas plus qu'avec l'honneur, et les affaires de cœur non décidées par les mom and dad peuvent donner lieu à de vraies vendettas. Toute cette matière donne à l'auteur de quoi composer une histoire sans doute sans originalité, mais avec des caractère forts, bien trempés, des passions dévorantes, des transports, des combats, des trahisons, des évasions, et tout ce qui fait le piquant de ce style de romans. J'ai ecu l'impression que l'auteur s'est contenté de l'essentiel, a émondé toute description oiseuse ou épisode digressif. Il y a peut-être Chroniques Italiennes un element sur lequel je suis un peu dubitatif - et c'est un reproche que je ferais à los angeles plupart des romans français du XIXème - c'est que les personnage n'ont pas une psychologie Chroniques Italiennes assez crédible, assez complexe, assez réaliste: tout est concentré dans telle ou telle action, ou décision qui va nouer le drame, mais reste trop dépendant des ressorts que le romancier veut tendre pour raconter son histoire. Du coup, on n'arrive pas vraiment à s'attacher aux personnages, selected qui ne m'arrive autant quand je lis des romans russes, par exemple.
