Dante Colvix: Part I by J.H. Sifontes

J.H. Sifontes

An officer unearths a tender orphaned baby jogging alongside a solitary highway and brings him to a social worker. Martha Dante Colvix: Part I James, the younger woman who gets him, realizes that he has super-human abilities. Inside of a couple of days, the boy is followed by means of a childless multimillionaire couple. Eerie issues begin taking place around the boy. He's very clever and intensely bright. Within the meantime, he brings difficulty to his new parents. Little through little, the younger guy is on the brink of being published to humanity. For some, he'll be the Savior; whereas for others, the Antichrist. This fiction is very intriguing; choked with action, suspense, and profound secret because the forces of darkness and the everlasting powers are present in continuous clash.
