whilst Calista Jacobs house-sits in posh Beacon Hill, she will get a peek into the realm of wealth and privilege, together with all of its dark, grotesque secrets and techniques steeped in tradition, whilst she Dark Swan unearths neighbor Queenie's dead body, a couple of backyard shears sticking out from her chest. Reprint. AB. Dark Swan K.

i am not convinced what I disliked such a lot during this book: the correct heroine Dark Swan (clearly a stand-in for the author), and how that each one the opposite characters gush over her non-stop; the heavy-handed "dark kinfolk secret" of incest theme, which used to be now not dealt with in a tasteful or plausible manner; or the abnormal rants and random tangents that the writer indulges in throughout the complete book. What I liked: the publication is short.
