FOREWORD BY PAUL L. HEDREN

Fort Laramie: Military Bastion of the High Plains

Douglas C. McChristian

Of all of the United States military posts within the West, none witnessed extra historical past than Citadel Laramie, situated in the northern high Plains near the Rocky Mountains. From its beginnings as a trading post in 1834 to its abandonment through the military in 1890, it used to be desirous about the buffalo cover trade, overland migrations, Indian wars and treaties, the Utah War, army maneuvering, and the arrival of the telegraph and primary transcontinental railroad. Douglas C. McChristian has written the 1st whole heritage of Citadel Laramie, chronicling each serious level in its existence, together with its addition to the nationwide Park System. He attracts on a rare Fort Laramie: Military Bastion of the High Plains array of archival materials—including these at Citadel Laramie nationwide historical Site—to current new information concerning the citadel and Fort Laramie: Military Bastion of the High Plains new interpretations of historic events. Emphasizing the fort's army history, McChristian records the army's important position in finishing demanding situations posed by way of American Indians to United States profession and payment of the region, and he expands at the fort's interactions with the numerous local peoples of the critical Plains and Rocky Mountains. He offers a very lucid description of the notorious Grattan struggle of 1854, which initiated a new release of strife among Indians and United States soldiers, and he recounts the 1851 Horse Creek and 1868 Fort Laramie treaties. Meticulously researched and gracefully told, this can be a long-overdue army historical past of 1 of the yankee West's such a lot venerable historical places.
