Healing Powers: Alternative Medicine, Spiritual Communities, and the State

Fred M. Frohock

the non-public testimony of people engaged in therapeutic practices and the opposing voices of orthodox and substitute medications are the guts of therapeutic Powers. concentrating on clinical norms and practices and on competing philosophies of the mind, the body, reality, and rationality throughout significantly assorted "belief systems", Fred Frohock clarifies the social and felony dilemmas represented by means of "scientific medicine" and "alternative care." "Frohock is going past the customarily irreconcilable ameliorations among clinical biomedicine and substitute care by means of clarifying the social and criminal dilemmas they present. . . . A noteworthy contribution forcing us to reconsider what remedy is all about."—Jeffrey Michael Clare, magazine of the yankee scientific Association "The booklet does extra and higher than just supply Healing Powers: Alternative Medicine, Spiritual Communities, and the State a social-scientific proposal. It additionally supplies not just a listening to yet a voice to people who persist with substitute therapies. . . . Frohock's debts in their stories—along with the tales of the clinical professionals—are eloquent and fascinating."—Allen Verhey, clinical Humanities Healing Powers: Alternative Medicine, Spiritual Communities, and the State Review "Contains a storehouse of invaluable information regarding the historical, philosophical, and mental bases of different methods to healing."—Marshall B. Kapp, New England magazine of Medicine "Frohock introduces us to the medical naturopaths and to physicians who think within the mind's strength to Healing Powers: Alternative Medicine, Spiritual Communities, and the State heal, to charismatics who think in yet can't clarify their powers, to people who try God and those that basically accept. He writes so good that I felt I had met those people."—Arthur W. Frank, Christian Century
