# Humanistic Economics: The New Challenge

Mark A. Lutz

Economics has lengthily been imprisoned Humanistic Economics: The New Challenge through a one-dimensional view of the individual and the slim assumption of self-interest that this entails. Humanistic Economics breaks out of this paradigm via offering an alternate framework that's now not incompatible with activities undertaken for the sake of deeply held values, compelling reasons, and better interests. the recent theoretical Humanistic Economics: The New Challenge origin makes it attainable to debate in a brand new mild questions of social institutions, equivalent to the connection among executive and the market, in addition to social coverage pursuits like complete employment, commercial democracy, and balanced foreign trade. outfitted with this simple insight, the authors continue to century-old ideologies of individualist capitalism and medical socialism.

## Humanistic Economics The New Challenge
