In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2)

Friedrich Glauser

“Despairing plot in regards to the fact of insanity and life, leavened with robust doses of bittersweet irony. The idiosyncratic research and its laconic detective haven’t elderly one iota.”—Guardian
A child-murderer escapes from a Swiss insane asylum. The stakes get better whilst Detective Sergeant In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) Studer discovers the director’s body, neck broken, within the boiler room of the madhouse. The intuitive Studer is drawn into the workings of an establishment that darkly mirrors the area outside. Even he can't get away the pull of the no man’s land among cause and insanity the place Matto, the spirit of insanity, reigns. Addicted to morphine, Friedrich Glauser spent a lot of his lifestyles in psychiatric wards and prison. He begun writing secret novels whereas an asylum inmate in 1935.

Questo romanzo “giallo” di Glauser è quello che amo di più e a parer mio il più esaustivo nell’elaborare quelle tematiche che tanto erano importanti in line with lui perché erano parte del suo vivere e sentire: la società svizzera e l. In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) a. sua ipocrisia; l. a. critica alle istituzioni, ospedali psichiatrici, centri assistenziali, riformatori, (tutti da lui lungamente frequentati), il governo e i suoi rappresentanti; l. a. malattia mentale. Essendo ambientato in un ospedale psichiatrico l. a. critica si accentra su story istituzione. Sui trattamenti irrispettosi della dignità umana praticati dal vecchio direttore dell’istituto, sulla mancanza di conoscenze e formazione di coloro che vi lavorano, sulle terapie applicate... Nel romanzo spicca los angeles figura del medico psichiatra Laduner, è lui che chiama Studer, l’investigatore, al advantageous di indagare sulla fuga di un paziente e sulla scomparsa del direttore dell’ospedale. Laduner è della scuola moderna della psichiatria, pratica anche l. a. In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) psicanalisi con un giovane paziente, ha portato colori e libertà agli ammalati, esige il rispetto della dignità dei pazienti e della loro malattia. Glauser con un anticipo sui tempi impressionanti, (ricordo che questo romanzo è stato scritto nel 1936! I primi psicofarmaci, los angeles contenzione chimica, Largactil e Nozinam arriveranno quasi 20 anni dopo) tramite il personaggio Laduner veicola le sue opinioni rispetto alla: “- schizofrenia... - mormorò Studer. – Cosa significa?... Significa spaccatura, scissione, - disse Laduner. - Una questione geologica. Pensi a una montagna, tranquilla, compatta, si erge sulla pianura, respira le nuvole e prepara l. a. pioggia, si copre d’erba e di alberi carichi di germogli. Ed ecco un terremoto. Una crepa attraversa los angeles montagna, si spalanca un abisso, è spaccata in due parti, non sembra più tranquilla, compatta, è orrenda; se ne vede l’interno, sì, l’interno si è rovesciato all’esterno... Pensi a una catastrofe del genere nella mente... E come un geologo parla con precisione delle In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) reason che hanno scisso una montagna, così noi parliamo con precisione dei meccanismi psichici che hanno scisso una mente. Ma noi siamo cauti, caro Studer, e quanto dico “noi” penso a quei pochi del nostro mestiere che non credono di poter In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) risolvere l’enigma della psiche umana con qualche infelice mistione linguistica di greco e latino...” (pg. 104-105 op.cit.). Rispetto a coloro che lavorano con i matti e a quelli “fuori” quelli “normali:” - Ha riflettuto

sul fatto che non si può avere a che fare troppo pace coi matti restando illesi, Studer? Che il contatto è contagioso? A volte mi sono chiesto se non sia vero il contrario: che nei manicomi vanno a lavorare come medici, come infermieri solo quelli che hanno già una rotella fuori posto, in keeping with usare un'espressione popolare. Con los angeles differenza che chi avverte l'impulso di entrare nel regno di Matto sa di avere in sé qualcosa che non va, a livello inconscio, io credo, eppure lo sa. E' una fuga... In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) Gli altri, fuori, In Matto's Realm: A Sergeant Studer Mystery (Sergeant Studer #2) a volte sono quelli che hanno più rotelle fuori posto, ma non lo sanno, neppure a livello inconscio...". (pg. 207-08 op.cit.). Uno psichiatra "illuminato", umano e rispettoso del malato e della malattia, chissà se Glauser ebbe l. a. fortuna di incontrarne uno così nella realtà dei suoi giorni manicomiali? E il giallo si dipana, quasi in secondo piano, e pare solo come pretesto, necessario alle considerazioni di Glauser sul "Regno di Matto" ed i suoi abitanti...
