John and Donald Baillie: Transatlantic Theology (Religions and Discourse #10)

George M. Newlands

John and Donald Baillie have been twentieth-century Scots theologians whose impression prolonged commonly round the world. This can be an highbrow biography of the brothers, according to a wide number of papers, diaries and letters which has lately turned into available. It really is either a learn within the interplay of theology and tradition and an issue for the improvement of a brand new severe liberal theology. The Baillie papers express theology being formed by way of language and tradition in a transatlantic interchange. The brothers and their social circles performed an imperative function in European and American ecumenical, church and social existence within the severe many years sooner than and after the 1939-45 war. Their paintings continues John and Donald Baillie: Transatlantic Theology (Religions and Discourse #10) to be an incredible source for an open and inclusive theology. John Baillie taught within the USA and Canada from 1919 to 1934 ahead of returning to Scotland. He got here again to the USA so much years till 1959. He was once one of many first Presidents of the area Council of Churches. Donald Baillie, Professor in St Andrews, was once the writer of *God used to be in Christ*, maybe the main commonly learn essay in twentieth-century Christology.
