L'Amour dans les pays musulman by Fatema Mernissi

Fatema Mernissi

Mais remark vit-on l'amour dans le monde musulman? Avec l'humour et los angeles liberté de type qui los angeles caractérisent, l'auteur revisite les poèmes arabo-andalous, les traités sur l'amour dont le célèbre Collier de l. a. Colombe d'Ibn Hazm, va à los angeles rencontre des jeunes L'Amour dans les pays musulman Marocains, discover les websites web où ils expriment leur solitude ou leurs déboires affectifs. (...) los angeles rencontre avec le mystère et l. a. sagesse des traditions permet de mieux affronter le monde globalisé et de renouer avec une tradition de l'amour qui ne se limite pas à los angeles sexualité mais invite à l'écoute, à los L'Amour dans les pays musulman angeles confiance en l'autre et au dépassement de soi.

" L'amour dans les can pay musulmans " est une étude L'Amour dans les pays musulman détaillée de l. a. thought d'amour à travers l'histoire de los angeles civilisation arabo-musulmane. Il est composé de six grandes parties:- Est-ce bien de l'amour? L'auteur a donné los angeles définition de l'amour, ses types, se synonymes en langue arabe.- los angeles séduction Pourquoi séduire et comment- l. a. beauté c'est quoi los angeles beauté idéale, remark être belle...- Étranges croisades ici elle a discuté los angeles faith face à l'amour, l'amour soufisme- L'amour et mariage- Amour Marxisme et psychanalyse Ici quelques citations du livre: *Les cinq degrés de l'amour***** Les Sufis sont les grands maîtres de l'art d'aimer de l. a. civilisation musulmane. Selon Ad-Daylami, l'amour est une fulgurante ressource de lumière et " celui qui aime est éclairé dans son génie et illuminé dans sa nature". Cependant, tout amour n'est pas équivalent: " L'amour dont s'aiment entre eux les humains est de cinq espèces pour cinq catégories différentes [d'hommes]:- Un amour divin pour ceux qui sont parvenus à l'unité.- Un amour intellectuel pour ceux qui possèdent l. a. connaissance.- Un amour spirituel pour l'élite des hommes.- Un amour naturel pour l. a. masse des humains.- Un amour bestial pour les natures abjectes". 2***"Très souvent, on ne comprend pas pourquoi on aime quelqu'un, quelles sont les explications de l'attraction qu'il provoque. On essaie pourtant de comprendre, et dans ce domaine qui échappe au raisonnement, on ne trouve... que des "raisons". Le plus souvent, ce sont de simples justifications, des hypothèses qui varient, avec le temps et les crises qu'on traverse. L'Amour dans les pays musulman Les fondements de l'amour que nous éprouvons restent incompris, enfouis dans l'inconscient, surtout lorsque l'aimé nous fait souffrir, nous frustrer plus qu'il ne nous comble." 3-"Selon Ibn Khaldoun, il ne faut jamais oublier l'importance du climat. Le visage soucieux et l'allure renfrognée du Fassi, s'expliqueraient par le climat rugueux qu'ils endurent avec cet hiver givré de glace et de ce vent mordant qui souffle du nord. Je me demande pourtant si le climat a une telle signification pour déterminer l. a. position de la séduction dans une tradition donnée. A Fès, il y a un mot pour désigner celui _ ou celle _ qui sourit sans raison. On dit qu'il "Farnass". L'Amour dans les pays musulman C'est ce qu'on dit de quelqu'un qui a los angeles lèvre supérieure qui fuit quelque peu et découvre les dents de devant. Petite, je m'entendais dire sans cesse: " Seul l'âne farnass". Serrer les lèvres 'avait donc rien à voir avec le froid! Cette perspective traduisait plutôt un convaincu un convaincu recroquevillement de l'être, une certaine absence de L'Amour dans les pays musulman générosité au niveau du sentiment. A Fès, même un sourire doit être calculé, doit avoir un prix, une signification bien précise dans un réseau de comportements déterminés...." 4-Beaucoup

d'hommes et de femmes disent que Monsieur X ne les intéresse pas, qu'il est le produit d'une classe, très réduite statistiquement de surcroît, celle de los angeles bourgeoisie L'Amour dans les pays musulman cosmopolite, produit du capitalisme tiers-mondiste. Je crois pour ma part que Monsieur X nous concerne tous, hommes et femmes, quels que soient notre âge et notre appartenance de classe. Il nous concerne L'Amour dans les pays musulman en tant qu'individu "idéal", comme modèle et produit d'une classe dominante. C'est lui qu'on voit dans les feuilletons télévisés, qu'ils soient égyptiens, américains ou français. Lui dont nous rêvons, consciemment ou inconsciemment. Lui encore qui incarne les attentes et les photographes que nous avons de los angeles séduction, du charme, du désir et du bonheur... Cela quelle que soient par ailleurs nos innovations politiques et culturelles conscientes. L'objet de ces textes, en effet, est moins de répondre aux questions que d'en formuler. Il nous faut avancer, prendre peu de distance envers nous-mêmes en tant que "machines désirantes" dans un monde qui est aujourd'hui, d'une part ouvert aux messages publicitaires fabriqués dans les laboratoires des multinationales occidentales et d'autre part, en quête de son passé et de sa tradition. 5- "Le droit de me lire ne donne pas au lecteur le droit de m'agresser s'il n'aime pas mes idées. Ce style d'attitudes appartient à un autre âge, à une autre époque, celle de l'inquisition, celle du règne de los angeles volonté du groupe, le règne de los angeles négation de l'individu." 6- "L'un des privilèges de l'écriture, pour moi en tout cas, est d'écrire ce qui me passe par los angeles tête, comme je le fais maintenant. Mais, quand je dis L'Amour dans les pays musulman " ce qui me passe par los angeles tête", je ne veux pas dire que c'est désordonné. Le processus d'écrire est très mystérieux. Mais ce qui est sûr, c'est qu'il n'est pas désordonné. Il obéit à un ordre qui n'est pas celui du lecteur, c'est tout. Souvent, dans certains genres d'écritures, les plus intéressantes selon moi, cet ordre échappe à l'auteur aussi."
