Gerrard Debbington, cunado de Vane Cynster, es uno de los solteros más codiciados de Londres. No tiene el menor interés por el matrimonio, sino que reserva toda su pasión para los angeles de pintura, y uno de sus mayores deseos es pintar los fabulosos y casi inaccesibles jardines de Hellebore Hall, propiedad de lord Tregonning. Y por fin *La verdad sobre el amor (Cynster #12)* se le presenta. La oportunidad, *La verdad sobre el amor (Cynster #12)* aunque antes debería crear un retrato fidedigno de los angeles hija del dueño. A Gerrard no le atrae la oportunidad de malgastar su tiempo con una jovencita insulsa, pero queda impactado al conocer a Jacqueline, y no solo por su belleza, sino también por su personalidad apasionada y su bondad. Sin embargo, algo está muy mal en Hellebore Hall. Una fuerza malvada acecha en los hermosos jardines y amenaza con apartar de Gerrard a los angeles mujer que lo ha deslumbrado, y que a sus ojos representa la verdad sobre el amor. Al igual que las anteriores, esta nueva entrega de los angeles serie *La verdad sobre el amor (Cynster #12)* Cynster se puede leer y disfrutar de forma independiente.

Love love love love it! I mean, it is the regular historic romance however it *La verdad sobre el amor (Cynster #12)* used to be the trade among hero and heroine that obtained me addicted to this book. there has been additionally loads of issues that stored me "hooked" yet i assume you simply need to learn it and locate it out for yourself! So, it begun of with rich-famous-painter-meet-damsel-in-distress. And first, Gerrard Debbington, yeap, he is the painter & our hero, have reserves on portray our heroine yet there is a trap simply because upon portray Jacqueline Tregonning, she's our damsel in distress, he may also paint the recognized gardens of Hellebore Hall. So, finally, he makes a decision to visit Hellebore Hall, followed by way of his buddy Barnaby Adair. they come and meet the folks living at Hellebore Hall. Gerrard meets Jacqueline for the 1st time and he is curious and extremely a lot interested in her yet has reserves considering he may lose his portray prowess if ever he falls in love with her. yet nonetheless he pursues her after which is going his trip to win her. yet then there is a secret to be solved and till then they cannot particularly be together. either major characters have been likable and while lovable. Gerrard exhibits this character the place firstly I even though he was once this chilly very remote individual yet then, it was once published *La verdad sobre el amor (Cynster #12)* that he is very compassionate and loving. He is going out of his method to win Jacqueline over. enjoyed the half *La verdad sobre el amor (Cynster #12)* the place Jacqueline was once proving that he doesn't intend to marry her, and so they get right into a struggle approximately it, *La verdad sobre el amor (Cynster #12)* it was once relatively humorous and sweet. Jacqueline, at the different hand, she's the kind that i will be able to relate to, she does not have any specified talents, aside from the embroidery that was once pointed out on the beginning, yet she is as basic and mediocre as a person out there. *La verdad sobre el amor (Cynster #12)* and through reading, during the story, every little thing she did was once an ordinary response as regards to her situation. i will see *La verdad sobre el amor (Cynster #12)* it truly occurring in actual life. I felt like her scenario wasn't over exaggerated like a few tales are. Love Barnaby too, it appeared like he used to be the other of Gerrard. the place Gerrard used to be inventive he used to be the logical one. the place Gerrard used to be quiet and reserve, he

was La verdad sobre el amor (Cynster #12) once the funny, outgoing one. and so they either placed their heads jointly to unravel the secret round Jacqueline. Love Aunt Millicent too, she's very supportive and stored issues together. Lord Tregonning, Jacqueline's dad, was once before everything stressful simply because how will you simply permit your daughter be a sufferer of rumor and gossip. yet then comes the tip and every thing used to be all placed to order. Eleanor was once tense particularly while she was once attempting to seduce Gerrard. Jordan was once simply an ass. i do not are looking to supply something away La verdad sobre el amor (Cynster #12) often because it was once this sort of great story, greater than great actually. I loved it a lot. And there has been this one bankruptcy the place I simply love their dialogues that I saved on twitting them on twitter. I enjoyed how Gerrard by no means enable cross of Jacqueline although she was firm to not marry him; with an outstanding cause of course. yet Gerrard, in that chapter, used to be convincing her that everything's going to be okay and that he will not allow her move and he could keep it up "seducing" until eventually she accepts him as her husband. It was once so cute, I swear! So, all in all, it was once rather an grand read! This made me smile a lot! Made me giddy too! The note we use is "kinikilig". i do not know the way to translate that to English yet yeah, that describes how I felt. Anyway, I do suggest this book. It used to be my first Stephanie Laurens novel and that i can certainly say I wasn't disappointed! Hoping to learn extra from her within the future! ? ? ? ? ? :D
