Lizzie isn't talking to her new stepfamily -- she's a obdurate zipmouth -- till she meets a member of the recent kin who's much more made up our minds than she is. In this short, energetic novel from mega-selling author, Jacqueline Wilson, Lizzie has zipped up her mouth. She's absolutely bored stiff at having to hitch a brand new kin and not anything can coax her into chatting with them. now not football, no longer pizza, no longer a brand new bedroom. That is, till she meets Great-Gran, who's much more obdurate than her -- and has had much more practice.

Perceraian memang tak mudah. Keluarga baru, suasana baru, kebiasaan baru. Semua itu memang tidak pernah mudah, apalagi bagi seorang anak usia sekolah dasar seperti Lizzie yang diceritakan di novel ini. Ia pernah memiliki ayah tiri. Awalnya semua berjalan menyenangkan, hingga suatu ketika ayah tirinya bersikap kasar padanya dan mamanya. Meskipun mamanya sudah berpisah lagi dengan ayah tirinya, kejadian itu meninggalkan bekas yang mendalam bagi Lizzie sampai-sampai ia trauma memiliki ayah baru lagi. Sekarang mereka harus meninggalkan flat kecil mereka dan pindah ke rumah baru. Mamanya menikah lagi dengan Sam yang baik hati. Sam memiliki dua anak laki-laki yang juga baik bernama Rory dan Jake. Tapi, berhubung Lizzie sudah trauma dengan ayah tiri, ia menganggap Lizzie Zipmouth Sam akan sama seperti ayah kandung atau ayah tirinya yang dulu; kasar dan jahat. Ia tak suka pindah ke rumah baru. Ia benci kehilangan waktu-waktu menyenangkan berdua mamanya. Ia berontak diberi kamar baru dengan desain yang tak ia Lizzie Zipmouth suka. Ia bahkan marah pada mamanya. Maka, untuk menunjukkan ketidaksukaannya dengan keluarga baru itu, Lizzie melakukan aksi tutup mulut. Ia tak berkata sepatah pun meski ditanya oleh seluruh anggota keluarga. Dua saudara tirinya menjuluki Lizzie dengan sebutan Lizzie Zipmouth. Lizzie si Mulut-Terkunci. Seperti buku-bukunya yang lain, Jacqueline Wilson lagi-lagi berhasil membuat saya jatuh cinta dengan karyanya ini. Bahasanya yang enak dibaca, agak baku tapi tidak kaku, santai tapi tidak slank, membuat kepolosan seorang anak kecil berhasil ditampilkannya dengan cara-cara sederhana. Masih menggunakan sudut pandang orang pertama, tema yang diangkat Wilson adalah tentang dampak perceraian dan sebuah keluarga baru bagi seorang anak, apalagi jika itu Lizzie Zipmouth terjadi berulang kali. review lengkap di <http://www.lensabuku.com/1035/lizzie-...>
