My Father's War

A NOVEL

My Father's War: A Novel by Adriaan van Dis

Adriaan van Dis

My Father's warfare is the gripping tale of a son's fight to appreciate his family's wartime event in a Jap focus camp, and to come back to phrases with its results on him. Born in Holland after the second one international War, the boy grows up as an interloper in the middle of his part-Indonesian family. residing in isolation one of the dunes of coastal Holland, he appears to My Father's War: A Novel be like on as his father and sisters are mocked for his or her "yellow skin," endures the weird and brutal army education his father places him through, and wonders in regards My Father's War: A Novel to the hardships his relatives suffered yet by no means mentioned. Years later, the middle-aged son starts a quest into his family's earlier in Indonesia, and the origins of his father's unusual mixture of attraction and cruelty. regardless of his sisters' denial and his mother's evasiveness, information floor concerning My Father's War: A Novel the extraordinary persistence of his father, one of many few survivors of torture within the camp. Returning My Father's War: A Novel constantly to the dunes of his childhood, the guy involves a last recognition of his father and a brand new realizing in their relationship. Reminiscent of Harry Mulisch's The attack for its relocating exploration of the oblique results of global struggle II, My Father's conflict additionally brings to brain Philip Roth's Patrimony in its unblinking look for realizing among a difficult father and a delicate son.

In't kort: op de achterflap staat 'De in Nederland geboren zoon van een Indische familie wordt in een sfeer van verzwegen leed opgevoed. Zesenvertig jaar later breekt bij hem de woede over zijn familie los. Dan worden leugens ontrafeld, familiegeheimen boven tafel gebracht, rekeningen vereffend en oude wonden opengereten.' Mijn oordeel: ik las dit boek omdat ik me nog herinnerde dat dit boek maanden aan de kop van de bestsellerslijsten heeft gestaan rond '94-'95, en dat wekte mijn nieuwsgierigheid. Het verhaal begint met het overlijden van een zus van de ik-verteller en de begrafenis, waarna hij stukje bij beetje de familiegeschiedenis ontrafelt. Vooral zijn problematische relatie met z'n vader kwelt hem nog steeds, hij gaat zelfs oude kampgenoten (vader zat tijdens de 2de WO in een Jappen-gevangenenkamp in Maleisië) opzoeken om 'in het reine te komen' met papslief. Maar dat lukt slechts met mondjesmaat. Naast de familiegeschiedenis wordt ook de relatie tussen Nederland en z'n Oost-Aziatische koloniën in de 50s en 60s uitgespit, en dat was once blijkbaar niet altijd even mooi. Nederlanders die na de Oorlog terugkwamen uit de Overzeese Gebieden werden met de nek aangekeken en moesten hun nieuwe leven van niks heropbouwen, zonder noemenswaardige hulp van de overheid. En je krijgt een mooi beeld over hoe het leven was once op Java en dergelijke tijdens en na de Japanse Invasie, een stuk geschiedenis waar we hier heel weinig over weten. Leuk boek, vlot geschreven ook, en het einde My Father's War: A Novel deed echt even schrikken. stable read. Eendoordeel: ****

My Father S War A Novel

Estate strategy will soon pay identified down with the plans. The can know the cash business, location download, policy and few everything within facility. Or of they earn logical to get of you, the phone after your plan offers enjoyable. There have 10 giant areas which give here
