Native American Astrology: The Wisdom of the Four Winds

Winfried Noe

throughout the knowledge of your tribal cultures, meet your Earth and Father Heaven, Grandfather solar and Grandmother Moon, and realize an insightful yet little-known resource of private counsel and therapeutic power. Locate your Totem, or delivery sign, named after one among twelve animal creatures whose spirits inhabit the earth. Then make certain the point that almost all impacts your personality—Earth, Air, Fire, or Water—and the best way to reside in concord with its energies. Next, become aware of your Element-Clan, animal totems which are part of your Elemental family, Native American Astrology: The Wisdom of the Four Winds and the detailed powers they provide you. Finally, discover the 4 Winds, the seasons they influence, and the presents they bestow. In simple, appealing descriptions and images, you will see how those energies have an effect on your loves, vocation, and destiny.

enjoyable & interesting, yet I believe writer can have taken from different sources...
