

Normalizing the Ideal

PSYCHOLOGY, SCHOOLING, AND
THE FAMILY IN POSTWAR CANADA

MONA GLEASON

Normalizing the Ideal by Mona Gleason

Mona Gleason

Homemaker mom, breadwinning dad who performed hockey together with his son at the weekends, one brother or sister, this was once basic Canadian lifestyles within the fifties, right? Well, now not quite, yet writer Mona Gleason argues that Canadian psychologists have been partially answerable for this fiction of normalcy. Postwar lack of confidence in regards to the balance of kin Normalizing the Ideal existence turned a platform on which to raise the function of psychologists in society. relocating outdoor the colleges with radio exhibits and child-rearing manuals, those figures of authority replaced the tenor of parental and familial main issue from actual to psychological health. Influential psychologists like Samuel Laycock and William Blatz unfold their very own imaginative and prescient of lifestyles because the fit target for which society may still strive. Their perfect of 'normal' mirrored and helped entrench the dominant white, Anglo-Celtic, patriarchal imaginative and prescient of life. those that didn't healthy the version because of pores and skin colour, class, or Normalizing the Ideal ethnicity have been marginalized or silenced, and, as Gleason's leading edge feminist strategy emphasizes, no matter if male or female, easily attempting to healthy in the prescribed gender roles necessarily ended in alienation. This heritage of psychology and its results Normalizing the Ideal asks new and important questions on the position of the social sciences in shaping the personal studies of standard Canadians.

Normalizing The Ideal
