Summary: teenagers like to play peek-a-boo! With its bright, quirky animals and outsized flaps to lift, Peek-a-Moo! is bound to be a read-aloud favorite. Readers play peek-a-boo with a distinct animal on each one page, guessing what it is, then lifting the flap to discover out. Peek-A-Moo! each one animal has a special sound that turns into a part of the peek-a-boo game: wager who? "Peek-a-moo!" says the cow. "Peek-a-squeak!" says the mouse. The bold, humorous illustrations will maintain children laughing, whereas the big trim measurement and durable binding will make certain many hours of lift-the-flap fun. Genre: fictional photograph publication studying level: This ebook is better for emergent readers since it has only a few phrases on each one page, it has repetitive phrases, and the illustrations fit the textual content very closely. the scale of the font and the distance among the letters distinguishes this as an emergent book. one other distinguishing characteristic of this ebook is the quantity of excessive frequency words. Topic: barnyard animals + distinguishing noises they make, indentifying Curriculum uses: i might Peek-A-Moo! learn this e-book aloud to a school room of younger children, who're commencing to learn on the emergent level. i'd motivate conversing again throughout the learn aloud. i'd additionally use this for shared examining and self sustaining reading. Social issues: interacting with animals, residing on a farm in a rural setting Literary elements: This booklet has repetition on each page, with the phrase, "guess who? Peek a." via this repetition, readers may have a neater time at realizing the phrases on every one page. Illustrations and Text: The illustrations during this publication fit the textual content very heavily and produce the laid again temper of the story. i believe that those illustrations are so attractive for readers that they're enjoyable for either lecturers and students.
