# The Atheists Are Revolting! by Nick Gisburne

Nick Gisburne

From The Rational reaction Squad to The Blasphemy Challenge. From The God myth to the tip of religion and The God Who Wasn't There, atheists are at the flow and within the news. Richard Dawkins, Sam Harris, Brian Flemming, all have set the tone for contemporary atheism, brazenly hard faith in society and to call for equivalent air time in an more and more illiberal religious/political environment. Outspoken atheist Nick Gisburne has written a brand new publication for atheists, every now and then brazenly parodying Christianity, yet regularly retaining either eyes firmly at the central, severe theme: supply no admire to a trust method in line with historical myths, for which there's no proof. This e-book hacks on the glossy veneer of 'God is love' and divulges the genuine message The Atheists Are Revolting! of the Christian religion: 'serve God or burn'. a part of the emerging phenomenon referred to as the 'YouTube Atheists', well known video blogger Nick Gisburne returns with a banquet of short, sharp arguments to rattle the rules of Christianity. glance out, The Atheists Are Revolting

This booklet should not everybody's cup of tea, but when you could preserve an open brain and settle for rational argument, you may be an atheist already!

## The Atheists Are Revolting

A personal input to file the credit is to be your event company and turn the property criteria it.
