The Berkeley Student Revolt: Facts and Interpretations

Seymour Martin Lipset

the scholar insurrection at the Berkeley campus of the collage of California, which all started in September 1964 and lasted till the subsequent January, is remarkable in American college history. one of many world's biggest and most famed facilities of studying used to be dropped at the sting of collapse, and the results prolonged some distance past the locale--both as the college of California has frequently been considered as a prototype of the longer term type of public larger schooling and due to what used to be printed a few new new release of students. In this volume, professors at Berkeley, themselves in war of The Berkeley Student Revolt: Facts and Interpretations words over the which means of the revolt, have attempted to gather as large a number of major views--from members on either side and from outdoors observers--as possible. they've got additionally supplied a close chronology of occasions and a beneficent sampling of the manifestoes, pamphlets, broadsides, and statements--again from either sides--that have been allotted through the disturbance. a number of of the essays have been commissioned for this publication and feature no longer seemed elsewhere.
