

ELWYN HARTLEY-EDWARDS

THE ENCYCLOPEDIA OF THE
HORSE

THE DEFINITIVE VISUAL GUIDE

**The Encyclopedia The Encyclopedia of the Horse of the Horse
by Elwyn Hartley Edwards**

Elwyn Hartley Edwards

during this extraordinary extended and up-to-date volume, equestrian specialist Elwyn Hartley Edwards lines the evolution of the horse, masking each significant breed of horse and pony in addition to the contribution the pony has made to civilization. The visible Breed advisor portrays greater than a hundred and fifty of the world's significant breeds of horse and pony photographed The Encyclopedia of the Horse in especially commissioned full-figure photographs in addition to countless numbers of motion shots. The origin, history, and makes use of every breed are explained, and every breed is delivered to existence by means of historic anecdotes and fascinating, little-known facts. The Encyclopedia of the Horse actually encyclopedic in scope, this is often the basic reference for each horse lover. This new version has been up-to-date to mirror the most recent developments in overseas equestrian sports, equivalent to dressage and horse trials, and in addition to mirror adjustments in breed specifications.

impressive for horse lovers. packed with 300+ pages approximately horses and is particularly helpful. this ebook was once released over 8+ years in the past so it's very outdated and do not count on it to be at your neighborhood publication store. if you'd like to get this e-book the easiest position to appear is amazon or e bay. i acquired mine for 6.00 whilst the original expense is 30\$ they've got nice offers on the internet for this book. i used to be blown away while i bought it as a library book. i made a decision i needed to possess it and purchased it on e-bay it's a clever and extremely valuable book! so horse fans should purchase it!

The Encyclopedia Of The Horse
