Little King December comes from a spot where, the day you're born, you get up fully-grown and entirely clothed. That first actual day of your existence you pass into your office, make a few deals, promote a number of books, or, in his case, rule a kingdom. and each day you get The Little King December a bit smaller and also you fail to remember somewhat more, in order that on the finish of your existence you're tiny, and also you spend your days forgetting things, consuming brightly coloured gummy bears, and chasing shadows within the garden. yet do not permit dimension idiot you. "Little King December" is filled with significant questions that require titanic answers. What are you aware already while you are born? Why do you're feeling small in the event you examine whatever big? With an upside-down good judgment and a knack at discovering the humorous fact of things, the little pot-bellied king teaches the narrator and the reader what lifestyles and desires are all about.
