REVISED EDITION

LL LANGNESS

The Study of Culture (Chandler and Sharp Publications in Anthropology and Related Fields)

L.L. Langness

during this replace of the 1987 and 1974 editions, Langness (anthropology, psychiatry, U. of California, Los Angeles) introduces the learn of a ubiquitous suggestion within the social sciences that may be a just a century old. With liberal prices from cultural anthropologists, he lines the historical past of a "a human technology of human beings." He reports and opinions faculties of idea on tradition from evolutionists (who view civilized society as many steps faraway from primitive man) to these arguing for cultural relativity and postmodernism.
