# Traditional Textiles of the Andes: Life and Cloth in the Highlands

Lynn A. Meisch

conventional Textiles of the Andes positive factors eighteenth-, nineteenth-, and twentieth-century indigenous textiles woven via the Aymara and Quechua. The elaborately patterned items are all drawn from the formerly unpublished and memorable Jeffrey Appleby assortment and comprise daily and ceremonial textiles of all kinds - ponchos, skirts, belts, hats, slings. The accompanying essays by way of Traditional Textiles of the Andes: Life and Cloth in the Highlands Lynn A. Meisch, Amy Oakland Rodman, Ed Franquemont, Margot Blum Schevill and Barbara Arthur deal with such themes because the lengthy historical past of fibers, dyes, imagery, and fabric use within the region; and the results of urbanization and westernization on conventional Andean weaving. Texts and images jointly mirror fabric arts which are either a major resource for the examine of the groups that made them and a triumph of design, color, and imagery.
