Treating the Juvenile Offender by Robert D. Hoge

Robert D. Hoge

This authoritative, hugely readable reference and textual content is grounded within the most recent wisdom on how delinquent and legal habit develops in formative years and the way it may well successfully be treated. Individuals describe confirmed how one can lessen juvenile delinquency by way of concentrating on particular chance components and strengthening younger people's personal, family, and group resources. Thorough but concise, the publication studies exemplary courses and discusses theoretical, empirical, and useful concerns in overview and intervention. It additionally offers best-practice options for operating with targeted populations: violent offenders; gang members; sexual offenders; adolescence with psychological health, substance abuse, educational, and studying problems; and feminine offenders.

Treating The Juvenile Offender
