MR PUGH I beg your pardon, my dear, moment VOICE he murmurs with a wheedle. Love: FIRST VOICE Captain Cat, at his window thrown extensive to the sunlight and the clipped seas he sailed some time past while his eyes have been blue and bright, slumbers and voyages; ear-ringed and rolling, I Love You Rosie Probert tattooed on his belly, he brawls with damaged bottles within the fug and babel of the darkish dockbars, roves with a herd of brief and strong time cows in every naughty port and twines and souses Under Milk Wood with the drowned and blowzy-breasted dead. He weeps as he sleeps and sails. moment VOICE One voice of all he recollects such a lot dearly as his dream buckets down.
